Why ProLogis?

ProLogis is a leading provider of industrial and distribution buildings in the UK. Working with retailers, manufacturers and third party logistics operators, the company owns and manages 20 million square feet of industrial space in strategic locations across the country.

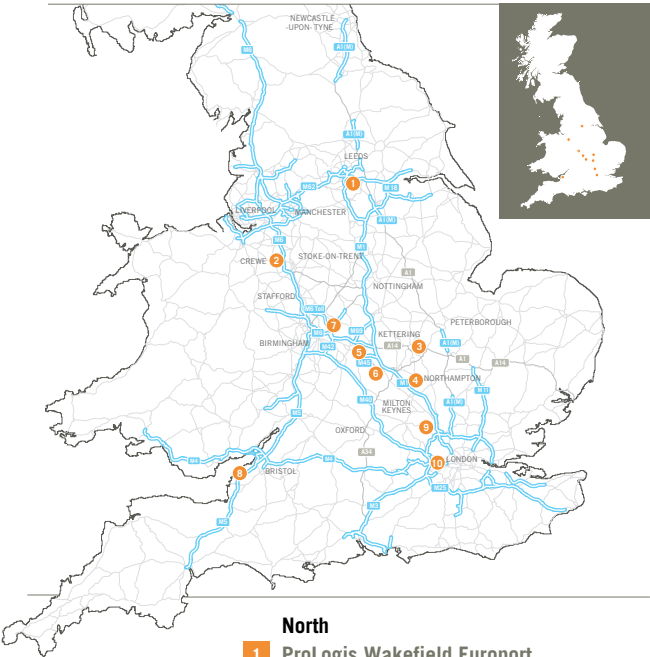

With more than 475 million square feet of industrial and distribution accommodation in markets across North America, Europe and Asia, ProLogis can offer its customers up-to-date facilities in a wide range of international locations; it can also work with them to create pan-European and global distribution networks.

As a Real Estate Investment Trust (REIT), ProLogis takes a long-term interest in its developments, paying close attention to the management of its property portfolio while maintaining close relationships with each of its customers.

For more information on the company please visit:

Make substantial cost savings

ProLogis' sustainable buildings can save you energy costs of up to 69% compared to a fifteen year old building, and 41% compared to a typical new build. We build to high EPC standards, striving to achieve a BREEAM 'Excellent' rating across our portfolio.
