

One Year Placement Opportunity

Location: Solihull, West Midlands

Company information:

Prologis is the leading owner, operator and developer of industrial logistics real estate across the Americas, Europe and Asia. We create value by developing and managing a world-class portfolio of high-quality logistics and distribution facilities, serving customers and investors as an integral part of the global supply chain. In addition to high-quality facilities, our land holdings and our development expertise enable us to offer customers complete supply chain solutions. If the right facility doesn't already exist, we can design and build it on a prime location, optimized to fit a customer's distribution strategy.

In the UK, we have a portfolio of over 100 buildings comprising in excess of 42 million square feet of industrial space in prime locations. For additional information go to www.prologis.com and www.prologis.co.uk

Opportunity:

Prologis is offering a unique one year intern placement opportunity for a smart, knowledgeable and enthusiastic graduate, which will provide invaluable industrial real estate development experience, working with some of the leading developers in the UK.

The main focus of this placement is our development and leasing business. Additionally, you will have the opportunity to undertake assignments for other departments such as Property Management and Marketing. You will receive high quality supervision during the placement and your experience will count towards your APC accreditation.

Main Tasks and Responsibilities:

- Supporting the evaluation and recommendation of real estate opportunities for internal approval
- Supporting the successful implementation of real estate projects
- Preparing for and attending client meetings
- Maintaining customer and market data
- Conducting market and customer analysis

Required Qualifications and Experience:

- Excellent A level results and on track for a 2:1 or above in a relevant Property/Real Estate degree
- Valid passport/visa to be employed in the UK
- A valid Driving Licence as this role will require some travel within the UK
- Keen interest/experience in industrial property/real estate, demonstrated through academic and work experience placements
- Excellent IT skills including Microsoft Office and real estate specific software
- Excellent written and verbal communication skills
- Strong commercial awareness capabilities
- Strong analytical capabilities

Salary: c£17,000 per annum
